- Breastfeeding Manifesto
- Breastfeeding in public (photos by Paul Carter)
- National Childbirth Trust
- Unicef - the baby friendly initiative

Breastfeeding Friendly Southampton

Southampton is a Breastfeeding Friendly City, with over 150 local breastfeeding friendly venues, openly welcoming and celebrating women in their right to breastfeed their children while out and about.

To find breastfeeding friendly Southampton venues near you, please go to <http://www.breastfeedingwelcomescheme.org.uk/>

Breastfeeding in and around Southampton
– every day counts

Health Visiting Service

Accredited by UNICEF Baby Friendly Initiative.

Joint working with National Childbirth Trust - incorporating Home visiting service, Baby cafés either side of the city and the Breastfeeding Welcome Scheme

Recent figures show that breastfeeding continues to increase
